450 W Devon Avenue, Itasca, Illinois 60143

**PREPARED FOR SUITE 310 · 8,686 RSF**

Three floors of glass on the north lake of Hamilton Lakes — with a lounge and conference room built new for the tenants who use them.

## THE BUILDING

# Glass on three sides, water on the fourth.

---

450 Devon Avenue is 76,087 square feet of Class A office wrapped in green glass, set on the north lake of Hamilton Lakes with Devon Avenue at its door.

Three floors, 25,000-square-foot plates and parking at 3.94 per thousand — enough room for a headquarters, small enough that the whole company shares one stair.

Hamilton Partners developed the building, owns it, and manages it from the park — leasing, engineering, and property management are all on site.

NEW THIS YEAR

# A lounge and a conference room, built new.

The tenant lounge is new: a full kitchen and bar, banquette and café seating, and glass onto the lake — somewhere to take a call, eat lunch, or hold a meeting that isn't a meeting.

The conference room is new too, wired for presentations and big enough for training days, and it books through building management.

>  
The lounge and conference room both have Matterport tours on [hamiltonpartners.com](https://hamiltonpartners.com); the three-story atrium connects them to every floor.

Availability as of August 2026 and subject to change. Rental rates are quoted per deal — term, condition and build-out all move the number — so call leasing rather than a rate sheet.

Five suites are available today, from a two-office suite to 15,614 square feet on the third floor — over half a floor, with the lake on one side.

Every suite is offered turnkey: Hamilton Partners designs and builds the space with its own construction group, on terms set to the deal rather than to a rate card.

450 Devon sits on the north lake, minutes from Devon Avenue and I-290.
