

TRAIN RIDERS WANTED!

DASH ON DEMAND

Get from the Itasca train to Hamilton Lakes and back again in a Dash.

In partnership with Choose DuPage, Innova EV is excited to introduce a new pilot program in Itasca to help train riders get from the Itasca train station to Hamilton Lakes and back again. Enjoy a fun, affordable and seamless commute with our DASH ON DEMAND 100% electric vehicle. It's a quick trip — 1.7 miles and approximately 7 minutes to your destination!

We are looking for a few train riders to try out this new service and provide feedback to us. Your first ride will be free, and then the cost per ride is only \$3 each way.

"It is a great feeling to know that when I get on my train in Ukrainian Village at 7:21 am, I will be sitting at my desk at Hamilton Lakes at 8:00 am. Using METRA and the Dash car makes this happen."
