

HAMILTON PARTNERS

Retail

Our **Retail Division** develops creative shopping arenas that draw shoppers to shop, mingle with others, seek entertainment, and dine. Through careful selection of superior sites, we provide excellent visibility and good access. Design that gives individual identity to each center plus quality construction and finish-out insures a solid tenant mix, and a comfortable, exciting ambiance.

Office

Our Office Division works not only to provide the utmost quality in a building, but also to build a comfortable, pleasing social environment. We believe in the long-term, multi-phased development of a master-planned, totally integrated, and controlled environment.

Industrial

Our Industrial Division develops high quality business parks and distribution centers which combine aesthetic features and operating efficiencies. Our parks are strategically located in suburban Chicago markets to provide various building types with good access to the Chicago interstate system.

Multi-Family

Hamilton Partners has an active presence in the development of multi-family housing with particular focus on luxury rental apartments. As co-developer and investor, Hamilton Partners has joined together with seasoned multi-family developers to create unique rental communities keeping pace with the lifestyle demands of today's renters.

Land

Hamilton Partners offers various land sites for build to suit development or sale at excellent locations across the Chicagoland area. Hamilton Partners worked with the following companies on Build to Suit Developments:

Allstate Insurance
CDW
Federal Express
HSBC
Liberty Mutual
